General Individual Membership Information:

- The season runs from April through November (weather permitting)
- Peak days are Friday through Sunday and holidays.
- Off-peak days are Monday through Thursday.
- Standard road course sessions are thirty (30) minutes in duration.
- Our members’ year begins after the road course opens. If a member joins after the road course opens, their “year” begins when their membership application has been completed and processed and they begin paying their dues.
- All road course days are annual and do not accrue. If the day is not used, it is not carried over to the next season.

Note 1: The listed driving guest passes included in membership. Additional guest passes can be purchased at the current rate and upon approval from the club (current rate is \$500 per pass).
*Bronze members are allowed two (2) paid guests per season at \$750 per pass.

Note 2: The club reserves the right to limit the number of non-driving guest passes based on membership levels or capacity limits.

Note 3: When car clubs or other renters offer member slots in the driving event, members at the respective membership level have the ability to participate in that driving event. The space is limited.
