General Membership Information

The season runs from April through November (weather permitting)

Peak days are Friday through Sunday and holidays, off-peak days are Monday through Thursday.

Standard road course sessions are twenty-five (25) minutes in duration.

All road course days are annual and do not accrue. If the day is not used, it is not carried over to the next season.

Platinum level memberships are limited to the first fifty (50) paid memberships.

Corporate memberships also available.

Note 1: Guest passes can be purchased at the current rate and upon approval from the club (current rate is \$250 per pass).

Note 2: The club reserves the right to limit the number of non-driving guest passes based on membership levels or capacity limits.

Note 3: When car clubs or other renters offer member slots in the driving event, members at the respective membership level have the ability to participate in that driving event. The space is limited and based on the rental agreement with the perspective club.
