Maximum of two (2) driving days per individual guest per season.

*Note 1: "Maximum of two (2) driving days per guest per season."*

*Note 2: The club reserves the right to limit the number of non-driving guest passes based on membership levels or capacity limits.*

*Note 3: When car clubs or other renters offer member slots in the driving event, members at the respective membership level have the ability to participate in that driving event. This is not a guarantee. Spaces are limited and based on the rental agreement.*
